CANTERBURY, NEW HAMPSHIRE

1979 ANNUAL REPORT

PHOTO IDENTIFICATION

- A. The Canterbury Railroad Station which once stood beside the tracks at Exit 18. Today, moved $\frac{1}{4}$ mile from its original location, it is the home of Harry and Lorraine Heath.
- B. The "Cogswell House" assumed to have been built by Alexander Yeaton who lived in Canterbury about 1838. Located at the end of the Burrough Road, near Forrest Pond, owned today by Peter Fife.
- C. John A. Chamberlin, preacher, leader and abolitionist believed to be the builder of this home the first half of the 19th century located on West Road and now owned by Raymond and Norma Glines.
- D. Samuel Ames bought the house unfinished in 1791. It remained in the family until about 1925. Ames, Iowa named for this family location is the second to the last home on the Burrough Road and now owned by Dot Bowen.
- E. Canterbury Center, as it looked before the big fire of 1943 which took this church and many other buildings. Notice the vestry at the far right of E. and F., this building once stood on the green directly behind the flag pole and monument that is there today. The building was razed in the late 1950's.
- F. An early view of the center with only the building at the left still standing and owned today by Carl and Betty Peterson, to its right is the Sam Lake Store and far right being the Vestry (Sarah Hutchin's House).

WARRANT FOR THE ANNUAL TOWN MEETING

State of New Hampshire

The Polls will be open from 10:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of Canterbury in the County of Merrimack in said State, qualified to vote in Town Affairs.

You are hereby notified to meet at the Town Hall in said Canterbury on Tuesday, the Eleventh day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

FIRST SESSION

The FIRST SESSION shall be held at the Town Hall in said Canterbury, on Tuesday, the 11th day of March next, between the hours of 10 A.M. o'clock and 7 P.M. o'clock in the afternoon to act upon the following:

1. To choose all necessary Town Officers for the year ensuing, by ballot.
2. To see if the Town will adopt the following changes to the Zoning and Building Ordinances and Building Codes, by ballot.

PROPOSED CHANGES TO ZONING AND BUILDING ORDINANCES AND BUILDING CODES TO BE ACTED UNDER ARTICLE 2 AT TOWN MEETING, MARCH 11, 1980.

Zoning and Building Ordinances

A. Change Article II. Section B. Obnoxious Uses. To delete the second sentence and replace it with "if a use

is found to be obnoxious by selectmen, a public hearing, conducted by the Board of Adjustment, may be requested by the applicant or any agrieved party before a final decision is rendered under this provision.

B. Change Article IX. Section D. by adding a new Section F to read: "Three alternates may be appointed to the Board of Adjustment, by the selectmen, to serve in accordance with RSA 31:67-a.

Building Code Ordinances

C. Change Article A. 12. Swimming Pools. By deleting Section (d) and replacing it with a new Section (d). The Board of Adjustment, acting as the Board of Appeals, may make modifications in individual cases, upon a showing of good cause with respect to the height, nature or location of the fence, wall, gates, or latches, or the necessity therefore, provided the protection as sought hereunder is not reduced thereby. The Board of Adjustment may permit other protective devices or structures to be used so long as the degree of protection afforded by the substitute is not less than the protection afforded by the wall, fence, gate and latch described herein.

D. Change Article C. Permits (building) 1. a. Under enforcement and administration to read: "The erection of any new building or other structure, swimming pool, or accessory building greater than 144 square feet or,

E. Article XIV of the Zoning and Building Ordinance as amended March 13, 1979, be further amended by rescinding the article in its entirety. (By Petition.)

SECOND SESSION

The SECOND SESSION shall be held at the CANTERBURY ELEMENTARY SCHOOL on FRIDAY the 14th day of March next at 7:00 o'clock in the afternoon to act upon the following subjects:

3. To raise such money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

4. To see if the Town will vote to authorize the Board of Selectmen to borrow money, in anticipation of the collection of taxes, for the current municipal year, and to issue, in the name of and on the credit of the Town, negotiable notes therefore, said notes to be repaid during the current municipal year.

5. To see if the Town will vote to appropriate the sum of four-thousand-dollars (\$4,000.00) to hire an outside audit of the books.

6. To see if the Town will vote to change the classification of Cross Road from Class V to Class VI.

7. To see if the town will vote to rescind all appropriations of funds not spent or encumbered received from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act and appropriated prior to 1980 Town Meeting.

8. To see if the Town will vote to appropriate a total sum of \$97,500 for renovations and construction of an addition to the Sam Lake House for use as Town Offices, and to raise such sum by authorizing the withdrawal of a sum not to exceed \$25,000 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act and by authorizing the Selectmen

to borrow in the name of the Town a sum not to exceed \$87,500 by the issuance of bonds or notes on such terms and conditions as the Selectmen may establish.

9. To authorize the selectmen to request the Trustee of the Sam Lake Trust to apply the income from said trust to the repayment of the notes issued pursuant to Article #8 of this Warrant when said income becomes available.

10. To see if the Town will vote to appropriate the sum of two-thousand-nine-hundred and fifty dollars (\$2,950) for repairs to the Elkins Library and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act.

11. To see if the Town will vote to appropriate one-thousand-dollars (\$1,000) to overhaul the electrical system of the fire truck, 53M2, and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Funds established under provisions of the State and Local Assistance Act.

12. To see if the Town will vote to appropriate two-thousand-six-hundred and thirty-two dollars (\$2,632) for new equipment for the Canterbury Volunteer Fire Department and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act.

13. To see if the Town will vote to appropriate the sum of ten-thousand-dollars (\$10,000) for the preparation of a Tax Map and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act.

14. To see if the Town will vote to appropriate one-thousand-dollars (\$1,000) and authorize the selectmen in their discretion to pay up to this amount to the Town of Northfield for care and maintenance of the beach at Sandogardy Pond.

15. To see if the Town will vote to appropriate two-thousand-three-hundred dollars (\$2,300) to establish a reimbursement program for active Canterbury Volunteer Firefighters.

16. To see if the Town will vote to direct the selectmen to regulate Class VI roads, the following Article is proposed:

That selectmen be required to regulate Class VI roads by authority inherited from the State of New Hampshire under RSA 41:11 and 47:17;

So as to require anyone involved in commercial use of Class VI roads to respect the rights of way of other property owners situated on the same roads; and in so doing conduct their operations in such a manner as not to obstruct the accessibility of other landowners in the continued use of the same roads by whatever means they were accustomed to prior to any such commercial operation.

That any equipment in excess of 10,000 lbs. G.V.W. be excluded altogether from such roads during spring conditions known as mud season unless engaged in farming or otherwise providing a necessary service to any resident located on such a road. And that all such roads be properly posted. (By Petition)

17. To see if the Town will vote to authorize the selectmen to act in conjunction with the Department of Resources and Economic Development and other interested parties in the renovation of the Canterbury-Boscawen

Bridge spanning the Merrimack River at West Road, for recreational purposes at no cost to the Town. (By Petition)

18. To see if the Town will vote to raise and appropriate the sum of four-hundred-thirty-five-dollars and twenty-six-cents (\$435.26) for the continuation of services to low-income and elderly residents of Canterbury through the Concord Area Center, Community Action Program, Belknap-Merrimack Counties, Inc. (By Petition)

19. To see if the Town of Canterbury will vote to accept as a Class 5 road that portion of the E. Branch of Battis Crossing Road which has been approved by the road agent as meeting the standards required by the Canterbury Planning Board; the town to start maintaining the road after construction is substantially underway for at least one dwelling. (By Petition)

20. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 25th day of February, in the year of our Lord nineteen hundred and eighty.

**RESULTS OF BALLOTING TO
PROPOSED CHANGES TO THE
TOWN ZONING ORDINANCE**

1. Are you in favor of the adoption of amendment No. 1 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to require a public hearing by the Zoning Board of Adjustment before any obnoxious use of land or structures would be permitted). 299 Yes — 79 No

2. Are you in favor of the adoption of amendment No. 2 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to add an additional requirement that fire or other ruins be made safe within thirty days). 263 Yes — 115 No

3. Are you in favor of the adoption of amendment No. 3 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to delete provisions relating to privies, out-houses and cesspools and leave these items under the jurisdiction of the New Hampshire Water Supply and Pollution Control Commission). 290 Yes— 85 No

4. Are you in favor of the adoption of amendment No. 4 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to make it clear that a special exception would be required from the Zoning Board of Adjustment for the operation of certain home occupations regularly conducted inside a dwelling unit or accessory building). 174 Yes — 193 No

5. Are you in favor of the adoption of amendment No. 5 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to limit the size of signs to ten square feet per side or twenty square feet whichever is less). 289 Yes — 80 No

6. Are you in favor of the adoption of amendment No. 6 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to limit the number of mobile homes in the Town of Canterbury to a maximum of five percent (rather than ten percent) of the total dwelling units in the town, clarifying the situations in which mobile homes will be permitted as a temporary structure, incorporating the mobile home park ordinance into the Town of Canterbury's Zoning and Building Ordinance, and limiting the density of mobile home parks to a maximum of one mobile home site per acre, and permitting the Zoning Board of Adjustment to grant special exceptions for the clustering of mobile homes). 290 Yes — 88 No

7. Are you in favor of the adoption of amendment No. 7 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to delete paragraph K relating to buildings in the floodway and substitute therefor a provision requiring that travel trailer parks be permitted only by special exception and in licensed recreational areas upon written approval of the Zoning Board of Adjustment). 281 Yes — 84 No

8. Are you in favor of the adoption of amendment No. 8 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to change the definition of a multi-family dwelling to a residential building designed for occupancy by two or more families having separate house-keeping facilities). 255 Yes — 112 No

9. Are you in favor of the adoption of amendment No. 9 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to modify the definition of a major subdivision to be a subdivision of land into four or more lots). 257 Yes — 105 No

10. Are you in favor of the adoption of amendment No. 10 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to change the definition of a minor subdivision to be a subdivision into less than four lots requiring no new road or municipal improvements, rather than five, and providing that minor subdivisions on Class VI roads may be required to meet criteria set forth under major subdivisions). 246 Yes — 112 No

11. Are you in favor of the adoption of amendment No. 11 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to delete any reference to modular construction in the definition of mobile home). 261 Yes — 97 No

12. Are you in favor of the adoption of amendment No. 12 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to define a mobile home park as an area designated to be used exclusively for the siting of more than one mobile home). 286 Yes — 80 No

13. Are you in favor of the adoption of amendment No. 13 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to define a modular home or similar structure as a dwelling unit constructed in sections and transported to the building site and set on its own foundation). 304 Yes — 66 No

14. Are you in favor of the adoption of amendment No. 14 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to permit rebuilding after fire or natural disaster of a non-conforming use provided that a special exception is obtained from the Zoning Board of Adjustment, but prohibiting expansion of non-conforming uses after fire or natural disaster. 270 Yes — 97 No

15. Are you in favor of the adoption of amendment No. 15 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to permit the construction, for residential purposes only, on a non-conforming lot provided that the lot was of record in the Registry of Deeds office and in conformity with the Zoning Ordinance in effect at the time of its creation and that the owner owned no contiguous land). 264 Yes — 92 No

16. Are you in favor of the adoption of amendment No. 16 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be as follows):

a. To adopt the zoning boundaries and districts as shown on the proposed "Zoning Map of the Town of Canterbury, NH" dated February 14, 1979 a copy of which is on file at the Office of the Planning Board of the Town of Canterbury.

b. Modify the Resource Reserve District by dividing same into two (2) parts (a) an Historic District requiring a minimum of two acres unless modified by special exception of the Zoning Board of Adjustment and (b) a Natural District requiring a minimum of ten acres unless modified by special exception of the Zoning Board of Adjustment.

c. Modify the R-R Resource Reserve zone by including reference to Historic and Natural. 248 Yes — 102 No

17. Are you in favor of the adoption of amendment No. 17 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to require that any structure be set back a minimum of 50 feet from the front boundary line or 75 feet from the center of the road.) 213 Yes — 95 No

18. Are you in favor of the adoption of amendment No. 18 to the existing Town Zoning Ordinance as proposed by

23. Are you in favor of the adoption of amendment No. 23 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to delete the building regulations from the Zoning Ordinance; this amendment shall take effect only on passage of the Building Code as proposed by the Planning Board.) 236 Yes — 100 No

24. Are you in favor of the adoption of amendment No. 24 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to designate the Building Inspector as the officer to issue building permits). 231 Yes — 131 No

25. Are you in favor of the adoption of amendment No. 25 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to provide that a building permit shall be valid for a period of six months rather than one year; provided, however, that if substantial construction has been commenced within the six month period the Building Inspector may grant an extension thereof for a period of one year; provided further, that if the owner is doing the construction himself the Building Inspector may grant up to a maximum of five one-year extensions).
228 Yes — 144 No

26. Are you in favor of the adoption of amendment No. 26 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to delete the provision of the ordinance preventing the Zoning Board from granting a special exception in cases where there is an existing violation of the ordinance). 225 Yes — 123 No

27. Are you in favor of the adoption of amendment No. 27 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to place a restriction on the rate of residential

the Planning Board? (The effect of this amendment would be to establish a Floodway District Map of the Town of Canterbury dated May 15, 1979 as prepared by the U.S. Department of Housing and Urban Development, Federal Insurance Administration, and adopt the regulations required by the Federal Government to make the Town eligible for participation in the National Flood Insurance Program.) 294 Yes — 65 No

19. Are you in favor of the adoption of amendment No. 19 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to require three hundred feet of frontage on a road or street or three hundred feet of frontage on a Class VI road for lots used for residential purposes.)
241 Yes — 128 No

20. Are you in favor of the adoption of amendment No. 20 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to require a lot fronting on public waters to have a minimum of one hundred feet of frontage rather than fifty feet). 288 Yes — 78 No

21. Are you in favor of the adoption of amendment No. 21 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to modify the District R-U rural zone by deleting mobile home parks from the list of special exceptions which may be granted by the Zoning Board of Adjustment.)
253 Yes — 104 No

22. Are you in favor of the adoption of amendment No. 22 to the existing Town Zoning Ordinance as proposed by the Planning Board? (The effect of this amendment would be to modify the District R1 residential zone by requiring a lot containing a multi-family use to have not less than two acres plus one-half acre per dwelling unit rather than 10,000 square feet.) 277 Yes — 88 No

growth of the Town of Canterbury. The exact text of the amendment as follows: 262 Yes — 111 No

"ARTICLE XIV

Limitations Relating to the Rate of Residential Growth

The Town of Canterbury is currently faced with extreme pressures for development of available land for residential construction. The Canterbury Planning Board has recently revised and updated the Town's Comprehensive Plan to meet this crisis. The Town recognizes an obligation to provide municipal services to accommodate reasonable growth, and toward this end, the Planning Board, Board of Selectmen, Zoning Board, School Board, and other town officials and agencies are currently working on plans to insure that municipal services will be available to accommodate reasonable growth. On the other hand, the Town recognizes that to promote health, safety and general welfare, reasonable regulations on the rate of growth must be imposed in accordance with the ability of the Town and its taxpayers to provide transportation, schools, water, parks, sewerage, and other services, and to prevent overcrowding of land and undue concentration of population. To these ends and in accordance with the Comprehensive Plan of the Town of Canterbury, the following limitation on rate of residential growth is hereby adopted:

The number of residential building permits for the construction of new homes which may be issued during any one building year shall be limited to 4% of the number of year-round residential dwellings existing at the commencement of the building year. The 'building year' shall begin on the day after the annual town meeting and run to the date of the next annual town meeting. No more than one permit per record holder shall be issued during the building year unless the total number of permits to

be issued shall not have been issued by September 1 of the current building year, in which case a second permit (but in no event more than two) shall be issued. Permits shall be issued in the order of original application to the building inspector. 'Record holder' shall mean the owner(s) of land in Canterbury on record at the Merrimack County Registry of Deeds. A building permit may be transferred to the purchaser of a lot. Land owned in joint tenancy or as tenants in common shall not entitle the owners to more than the number of permits which would be available if the land were owned by one individual. No person, corporation, partnership or other entity shall directly or indirectly be a record holder of more than one parcel of land for purposes of obtaining building permits."

RESULTS OF BALLOTING TO PROPOSED CHANGES TO THE BUILDING CODE ORDINANCE

1. Are you in favor of the adoption of the Building Code Ordinance as proposed by the Planning Board? Except for items 2 thru 12, which are listed separately due to their controversial nature. 227 Yes — 103 No

2. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Building Code Ordinance as follows: (The effect of this amendment would be to require that siding on residential buildings be of materials originally intended by the manufacturer to be used as a siding material). 222 Yes — 151 No

3. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Building Code Ordinance as follows: (The effect of this amendment would be to require that siding on residential buildings be installed within five years of occupancy of the building). 269 Yes — 110 No

4. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Building Code Ordinance as follows: (The effect of this amendment would be to require that all roof coverings on residential buildings meet Class "C" fire rating (U.L.) or better and that untreated wood shingles/shakes may be allowed only by special exception and only when three feet around the perimeter of any chimney shall have a covering of Class "C" fire rating (U.L.) or better.

270 Yes — 106 No

5. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Building Code Ordinance as follows: (The effect of this amendment would be to require that all residential buildings have insulation in exterior walls having a minimum of R-11 value and in roofs or roof decks a minimum of R-19 value.)

213 Yes — 155 No

6. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Building Code Ordinance as follows: (The effect of this amendment would be to require that all residential buildings have smoke detectors installed in the vicinity of each sleeping area of a residence but not in each separate bedroom).

216 Yes — 159 No

7. Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town Building Code Ordinance as follows: (The effect of this amendment would be to require that all swimming pools be surrounded by a fence of four feet or more in height, that all gates or doors through such enclosures be equipped with a self-closing and self-latching device, these requirements to apply to all new swimming pools hereafter constructed other than in-door pools and all existing pools with a depth greater than eighteen inches of water which shall be required to conform within three years. Special exceptions to these requirements may be

granted in rural and agricultural/conservation zones by the Board of Adjustment). 254 Yes — 120 No

8. Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town Building Code Ordinance as follows: (The effect of this amendment would be to require that all industrial and commercial buildings of twenty-five hundred square feet and less in floor area meet the requirements of the Canterbury Building Code relating to residential one and two family residences and that all industrial and commercial buildings having a floor area of twenty-five hundred and one square feet or more shall meet the requirements of the latest Building Officials and Code Administrator's Code for commercial and industrial buildings as well as those requirements set forth in the Canterbury Building Code for residential one and two family residences.)

265 Yes — 96 No

9. Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the Town Building Code Ordinance as follows: (The effect of this amendment would be to require all institutional buildings to meet the requirements of the latest Building Officials and Code Administrator's Code for institutional buildings as well as meet those requirements as set forth in the Canterbury Building Code for residential one and two family residences).

282 Yes — 86 No

10. Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the Town Building Code Ordinance as follows: (The effect of this amendment would be to only require a building permit to construct an accessory building having a floor area in excess of one hundred and forty-five square feet, that all footings or other means of support be at a depth of forty-eight inches below finish grade or to bedrock, that exterior bearing walls be of sufficient strength to support the roof loads above it, that the roof support forty pounds

per square foot live load plus the dead load, and that wiring meet certain standards. Pier and or pole construction is permitted for accessory buildings.)

240 Yes — 118 No

11. Are you in favor of the adoption of Amendment No. 10 as proposed by the Planning Board for the Town Building Code Ordinance as follows: (The effect of this amendment would be to set forth certain procedures to condemn unsafe or hazardous structures). 272 Yes — 95 No

12. Are you in favor of the adoption of Amendment No. 11 as proposed by the Planning Board for the Town Building Code Ordinance as follows: (The effect of this amendment would be to require wood stoves and/or wood furnaces to meet the requirements of the Building Code pertaining to chimneys, fireplaces and stoves and requiring a permit for the installation thereof).

217 Yes — 154 No

13. Are you in favor of the adoption of Amendment No. 12 as proposed by the Planning Board for the Town Building Code Ordinance as follows: (The effect of this amendment would be to adopt the flood plain development regulations required by the Federal Insurance Administration to permit the Town to participate in the National Flood Insurance Program). 287 Yes — 76 No

MINUTES OF TOWN MEETING
(Business Portion)

March 16, 1979

The adjourned Town Meeting was opened at 7:05 PM on Friday, March 16, 1979, by the Moderator, Oliver Fifield.

The Moderator read the results of the balloting at the first session. There were 402 ballots cast out of 733 names on the checklist.

Robert Lockwood made a motion to dispense with the complete reading of the warrant and to read each article as it came up. Duly seconded. Motion passed unanimously.

Article 3.

To raise such money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

Tom Geno made a motion to take up the budget item by item. Duly seconded. Motion defeated.

Charles Dean moved the budget be accepted as printed in the Town Report. Seconded by Paul Scripture.

Robert Lockwood asked for an explanation of the amount of the total budget. It was explained that the budget includes two warrant items.

The motion to accept the budget as printed was passed.

Article 4.

To see if the Town will vote to authorize the Board of Selectmen to borrow money, in anticipation of the collection of taxes, for the current municipal year, and to issue, in the name of and on the credit of the Town,

negotiable notes therefor, said notes to be repaid during the current municipal year.

Robert Scarponi moved its adoption. Seconded by Doug Ruesswick.

Doug Ruesswick questioned the amount of the long term indebtedness. The figure of \$76,800 was as close as the Town could come up with as a total.

Article 4 passed.

Article 5.

To see if the Town will vote to require the Board of Selectmen to obtain annually from department heads a detailed and specific projection of capital expenditures covering a period of three years. This projection shall be included in the annual Town Report. (By Petition)

Robert Lockwood moved to defeat this article. Seconded by Charles Dean.

The selectmen spoke in opposition to this article, as they say this is done every year in Canterbury and there is no need to legislate it.

Arthur Hudson wanted to know if it is the intent of the motion that each year you would see a three-year projection and, if so, would we be going through all three years at Town Meeting or only the coming year. It was explained that it would be only for the coming year, even if there were a three-year projection.

The article was defeated by a hand vote of 65-59.

Article 6.

To see if the Town will vote to accept Cogswell Road as a scenic road. (By Petition)

Jim Ashworth moved the adoption of the article. Seconded by Robert Boyd.

After some discussion explaining what a scenic road is, the question was moved.

Article 6 passed.

Article 7.

To see if the Town will vote to appropriate the necessary funds, not to exceed \$10,000, to correct two hazardous road conditions, one located on Baptist Hill Road, .45 mile south of the intersection of Briar Bush Road and Baptist Hill Road; the other located at the intersection of Hackleborough Road and Foster Road. (By Petition)

Robert Scarponi moved to table this article. Seconded by Robert Lockwood.

Selectman Ray Cushman explained that there are already plans for a change in the intersection of Briar Bush Road and Baptist Hill Road.

The motion to lay this article on the table was defeated by a hand vote of 76-64.

Ray Cushman moved to indefinitely postpone the article. Duly seconded. After considerable discussion, the question was moved.

Article 7 was indefinitely postponed.

Article 8.

To see whether the Town will vote that no part of an unpaved portion from any road in Town shall be paved unless the Selectmen first vote to do so and further unless the majority of the residents and property owners abutting the unpaved portion under consideration affirmatively vote in writing, on a form supplied by the Selectmen, that they desire paving. In any event the Town may vote to pave any road or portion thereof at a regular Town Meeting. (By Petition)

Ken Bouchard moved the adoption of the article. Duly seconded.

Selectman Ray Cushman spoke in favor of the article. Selectmen Mary Ellen Fifield and Lewis Cunningham were opposed to the article.

After some discussion the question was moved.

Article 8 passed.

Article 9.

To see if the Town will vote to accept as a Class 5 road that section of Phase I namely part of Cambridge Drive and all of Abby Drive in the Bella Vista Cluster subdivision.

Rebecca Fowler moved its adoption. Seconded by Ted Gladu.

Lois Booth moved to include the east branch of the Battis Crossing. Seconded by George Glines. The Moderator moved that this was an inappropriate amendment.

It was explained that a Class 5 road is a town-maintained road. The town cannot accept the road itself, but they can instruct the selectmen to accept it. The selectmen have the power to accept it without consulting the town. There was concern about accepting the road in that it might set a precedent. If the town accepts it, it does mean that the town will be maintaining that road. Selectman Cushman spoke in favor of the article.

Bob Boyd asked what it will cost to maintain this section of road and wanted to know if there are funds included in the budget to do so. No figure was readily available and there have been no funds included in the budget.

Ken Bouchard moved to postpone action on this article for a year. He then withdrew the motion.

Ken Bouchard moved to table the motion. No second and the motion died.

The question was moved and Article 9 was defeated by a voice vote. Luke Smith asked for a division. Rebecca Fowler moved for a ballot vote. Duly seconded. Motion defeated.

Article 9 defeated by a vote of 102 to 71.

Article 10.

To see if the Town will vote to raise and appropriate the sum of two-thousand dollars (\$2,000.00) for publishing and mailing a taxable properties booklet.

Robert Lockwood moved its adoption. Duly seconded.

The selectmen stated that this would probably be published after the assessment, in other words, in 1980, with the 1979 tax assessments.

Tom Geno moved to amend the article by deleting the amount of \$2,000.00. Seconded by Robert Lee. Motion defeated.

Article 10 passed.

Article 11.

To see if the Town will vote to appropriate the sum of one-thousand dollars (\$1,000.00) to the Town of Northfield for the care and maintenance of the beach at Sandogardy Pond.

Stuart Fifield questioned whether this was salt water or fresh water.

Robert Scarponi moved its adoption. Seconded by Roy Glines.

Selectmen Mary Ellen Fifield explained that this land had been given to the Town of Northfield by her grandfather with the stipulation that Canterbury residents could use it as well as Northfield residents.

There was considerable discussion about the water and pollution from septic tanks.

Gordon Jackson moved to amend the article by including the words "at the discretion of the selectmen." Seconded by Charles Smith. Amendment carried.

Article 11 as amended was adopted.

Article 12.

To see if the Town will vote to appropriate two-thousand-one-hundred ninety-five dollars (\$2,195.00) for new equipment for the Fire Department and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Philip Rollins moved its adoption. Seconded by Robert Boyd.

Article 12 passed.

Article 13.

To see if the Town will vote to appropriate six-hundred twenty-five dollars (\$625.00) to reservice the state forestry truck and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Philip Rollins moved its acceptance as read. Seconded by Charles Dean.

Article 13 passed.

Article 14.

To see if the Town will vote to appropriate the sum of one-thousand-one-hundred dollars (\$1,100.00) to reprint, with updated information, the town Master Plan known as the Plan for Tomorrow and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Charles Dean moved its adoption. Duly seconded.

It was requested that Bob Scarponi explain the intent of this article, which he did.

Darrell Martin suggested a minimum charge of \$1.00 so that the town can recover some of the money.

Kay Cushman asked what happens if we don't have enough Revenue Sharing Funds to cover all the Revenue Sharing articles. She was advised that there is enough money.

Skip Young questioned whether you can charge for articles that are paid out of Revenue Sharing. He doesn't think you can.

Article 14 passed unanimously.

Article 15.

To see if the Town will vote to appropriate the sum of three-thousand-seven-hundred dollars (\$3,700.00) for the renovation of the Planning Board room in the town hall and to authorize the withdrawal of the amount for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Robert Scarponi moved its adoption. Duly seconded.

Doug Ruesswick asked if anything has been done to consider the access of the Town Hall to facilitate the handicapped. He was advised it has been discussed but has not been resolved.

After considerable discussion, including how terrible the office presently looks, and possible alternatives, including the old Fire Station, for town offices, the question was moved.

Article 15 passed.

At this time Jamie Hollis made a motion to reconsider Article 9 on the basis there was information that was not presented in the initial discussion which would have a definite effect on the outcome of the vote. Seconded by Paulette Gladu.

Luke Smith explained that he felt it was the intent of the town to accept the road when it was brought up to specifications. He would not have put the money into the road (might not even have bought the subdivision) if he thought the town would not accept the road.

Mike Plisko said the town required a bond from the people who were developing it, saying that they would comply with the town specifications in building the roads and he feels this implies that the town would take it over. He feels it was implied strongly that the town would take over these roads.

After more discussion the question was moved.

It was voted to reconsider Article 9.

Article 9 (reconsidered).

Bert Lee moved the adoption of Article 9. Chris Hoeveler seconded. After much discussion Frank Grayshun made a motion for a paper ballot. Seconded by Robert Dudley. Motion defeated.

Article 9 as reconsidered was passed.

Article 16.

To see if the Town will vote to adopt the map of town roads developed by the roads committee of the Planning Board as the official road map of the town.

Robert Scarponi moved its adoption. Seconded by Paulette Gladu.

After an explanation by Selectman Mary Ellen Fifiel that the map had been drawn up by the Roads Committee and that the names put on the map were not binding upon the town, followed by some discussion, the question was moved.

Article 16 was passed.

Article 17.

To see if the Town will vote to appropriate \$10,000.00 for Tax Maps and to authorize the withdrawal of the amount for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Charles Dean moved its adoption. Seconded by Ted Gladu.

Doug Ruesswick asked why we appropriated \$10,000.00 last year and why it is being asked for again this year. It was explained by the Board of Selectmen that last year we appropriated \$7200.00, \$2200.00 of which came out of Revenue Sharing. The balance of \$5,000.00 was not used and it came out of town funds, so it went back in.

It was further explained that these tax maps cost anywhere from \$22,000.00 to \$50,000.00 and that the state

requires these maps. After some further discussion the question was moved.

Article 17 passed.

Article 18.

To transact any other business that may legally come before this meeting.

Kay Cushman asked about the outstanding bill that the Town of Canterbury owes the Visiting Nurse Association for 1978. She wondered if the bill is going to be paid and why it hadn't been paid in 1978.

Selectman Mary Ellen Fifield said there is money in the budget for the bill. She does not approve of expending money when she does not know where it goes, but she informed the meeting that the bill will be paid if it is what the town wishes, even though not knowing for what the money is spent. There was no response from the meeting.

Doug Ruesswick asked about the \$1500.00 that was appropriated for the compacter for the dump. The Road Agent said that the bucket works just as well and that they don't need the compacter. The money came from Revenue Sharing and it is still available. A question was asked as to whether or not the crusher was to be purchased for the purpose of recycling. Selectman Fifield announced that she had received a letter from Recycling Enterprises in North Oxford, Massachusetts, quoting prices on glass. It must be separated white, green and brown, but it does not have to be crushed. It was suggested that the town try to work harder at recycling the glass and cans.

Alberta Messer asked what happened to the motion for the selectmen to activate the Recreation Department that she made last year at the end of the meeting. It is not shown in the town report and she would like to know what happened.

Ted Gladu made a motion that the meeting direct the Board of Selectmen to revitalize the town dump commit-

tee and take some aggressive action toward recycling at the dump. Seconded by Ken Bouchard. Charles Smith mentioned that it will cost a lot more to put all these items through the incinerator as it shortens the life of the incinerator. Ray Cushman said that most places would rather have the glass crushed. Motion duly passed.

Tom Geno made a motion that the selectmen be instructed that the old Canterbury-Boscawen bridge be taken down by July of 1979. He said a request had been made at last year's town meeting to get it taken down as soon as possible and that nothing had been done about it. Selectman Fifield said she made all sorts of inquiries over the past year about the bridge and its possible demolition and that the selectmen will continue to do something. It will cost about \$60,000.00 to take it down. A question was raised as to the town's liability and it was mentioned by town counsel that the town is already being sued by one individual because of an accident involving the closing of the bridge.

Rebecca Fowler mentioned that there is a bill in the Legislature that would do away with the Bookmobile visiting small towns such as Canterbury. She made a motion that the town meeting protest that bill and direct our representatives to vote against this bill. Seconded by Ann Albert. Motion passed unanimously.

Alberta Messer made a motion that we have the selectmen reactivate the recreation committee. Duly seconded. Motion passed.

Motion by Frank Grayshun to adjourn. Seconded by Priscilla Lockwood. Meeting adjourned at 11:25 PM.

Charles Dean,
Town Clerk

SUMMARY OF INVENTORY

Land	\$ 4,643,280.00
Buildings	7,370,292.00

Total Credits	\$124,372.75	\$15,314.49	\$7,158.33

(a) "Balance of Undeemed Taxes — January 1, 1979:"

Should include balances of Undeemed Taxes, as of beginning of fiscal year — January 1, 1979 from Tax Sales of Previous Years.

(b) "Taxes Sold to Town During Current Fiscal Year:"

Tax Sales held during fiscal year ending December 31, 1979, should include total amount of taxes, interest and costs to date of sale.

NOTE: TOTAL DEBITS and TOTAL CREDITS should agree.

REPORT OF THE SELECTMEN

Each year seems to be a little more demanding than the year before and 1979 certainly was true to form. There were two resignations on the Board, a change of property assessors, a full year of dealing with the new zoning ordinances, and more paperwork than ever.

Aside from the routine duties entrusted to the Board, the following additional areas required action:

1. Mr. Compton French of the State Assessing Department has been hired for 1980 to do the yearly routine pick-up work.

2. Harry Heath was appointed Police Chief replacing Roy Glines who resigned effective October 1, 1979. Harry successfully completed the 8 week course at the Police Training Academy. We wish to thank Roy for his many years of service as Police Chief to the Town.

3. The Recreation Committee was re-activated with Richard Ennis serving as chairman. The other members of the committee are: Virginia Plisko, Kathy Gelinas, William Messier and Thomas Geno.

4. The recycling committee under the chairmanship of Ted Gladu have proposed a pilot recycling program. This program is in the process of being implemented.

5. A formal Capital Improvement Program is being drawn up by a committee composed of representatives from the Board of Selectmen and the Planning Board. This document will be part of the Town's Master Plan and will be updated annually.

6. A real estate tax assessment booklet is in the process of being published.

7. The problem of "What to do with the Sam Lake House" hopefully, with Town approval will be resolved.

After years of thought and investigations into several alternatives, the Selectmen have proposed using the house for Town Offices. Several architects were interviewed and Dale Caswell of Canterbury was chosen to submit plans utilizing the present house plus an addition. This is a substantial undertaking. However using Revenue Sharing Funds the first year and income from the Sam Lake Trust for the balance, it will not be an undue burden on the taxpayer. It seems fitting and proper to the Selectmen and the Budget Committee to establish a permanent memorial to our benefactor, Sam Lake.

8. The Boscawen-Canterbury Bridge remains a problem. Presently James Ashworth is on an adhoc committee studying the possibility and feasibility of using the bridge for recreational purposes.

9. Since the cash now handled by the Town is approaching the figure of a million dollars annually, the Selectmen are recommending the adoption of a more formal auditing procedure than has been used in the past.

10. Last but not least, the office typewriter died and the copy machine continues to gobble up master copies. Happily and gratefully the former has been replaced with the "Lew Cunningham typewriter."

The Board, on behalf of the Town, wish to thank Mrs. Royal Geno for the American flag given in memory of her husband.

We are grateful to Dr. Gerard Smith, who lives at the former Lew Cunningham residence on Rt. 3-B for accepting the position of Health Officer.

Mary Ellen Fifield, Chairman
George Kopperl
Arthur Hudson
Selectmen

CEMETERY REPORT — 1979

In the past year there was a great deal of work done to reclaim the outlying cemeteries. About thirty cemeteries were worked on clearing brush and trees which had grown during years of neglect. Many stonewalls were also put back up.

There is still much work to be done to restore these cemeteries. In the coming year it is the hope of the Cemetery Commission to finish the job of clearing brush and trees and begin restoring and resetting the many broken stones. With the cemeteries cleared of brush and stones reset, it will be much easier for the Highway Department to maintain and keep them in a condition that the Town of Canterbury can be proud of.

Much interest and pride was shown by the men of the Highway Department this year and they are to be commended on a job well done.

Virginia Dudley
Colin Heath
Linwood Rogers

Sub-Totals	1,466.52	537.57	928.95
Totals Income and Expense	4,599.32	1,342.57	3,256.75

During calendar year 1979, expenditures from the Fund were \$805.00:

1. Grants to Recreation Committee totaling \$800.00 for drainage and work on the baseball field, and the purchase of baseball equipment.

2. Rental fee for a safe deposit box — \$5.00.

Fund income consisted of:

1. Proceeds from the Canterbury Fair of \$2,600.00 which was deposited to the savings account with the N. H. Savings Bank.
2. Interest on the savings account of \$532.80.

Investment Accounts

1. Bank Certificates:

The fund has three Bank Certificates of deposit, maturing on 1 March 1980, 1 March 1981, and 31 January 1982. Current value of these certificates, as of 31 December 1979, was \$13,753.28, which includes interest in the amount of \$928.95 earned during the year.

2. Stock Funds:

The Canterbury Fund Stock Investments at the beginning of the period had a market value of \$9,910.75 and a book value of \$10,620.32, representing a short fall of \$709.51. During 1979 the fund received and reinvested dividends and capital gains distributions totaling \$537.57. The value of the shares increased during the year, and at years end the book value was \$11,157.89 while on 31 December 1979 the market value was \$12,227.51, thus liquidating the stock short-fall and indicating a market value over book value excess in the amount of 1,069.62. State Street Corp. stock returned \$366.73 on an investment of \$5,280.08, while Babson Co. stock returned only \$170.84 on a \$4,630.67 investment.

NOTE: Bank Certificate of Deposit #60 205 956 will mature on 1 March 1980.

REPORT OF THE CANTERBURY HISTORICAL SOCIETY

The Elizabeth Houser Museum has taken on a new look with its new "Shaker Blue" woodwork and freshly painted walls. Many hours were spent reorganizing and sorting items in the collection. Some things have been packed away, and others cleaned and rearranged. There will be changing exhibits throughout the years. One section of the museum has been set up as a school room, which it was for many years.

Our thanks go to Jayne Stokes who served as our President last year. Her enthusiasm and museum training was a great help and got us off to a good start on cataloguing and planning for the future.

Several excellent programs were enjoyed by those who attended. Ginny Plisko presented a film from the Manchester Historical Society, on the history of the Amoskeag Mills, made from their collection of glass negatives. An interesting film on the history of the Isles of Shoals was shown by Susan Faxon, who is curator of the Paul Arts Center at the University of New Hampshire.

In September, our President returned to graduate school, but we have a good start on cataloguing the collection and one of our first goals for the coming year will be a full appraisal of the artifacts by a qualified appraiser.

We would like many more Canterbury residents to come out to our meetings and at least see the museum's new look. Join in helping to preserve the heritage of our small New England town for our children and grandchildren and all who follow after.

Winola Stokes, President

ELKINS LIBRARY REPORT 1979

The Elkins Library has again experienced an increase in its use by town residents. Book circulation is up twenty percent over last year, and an increased book budget has allowed us to continue new and recommended book purchases to keep up with the growing reading interest. Also, the "Children's Story Hour" was established and we hope to continue this program in the future.

The Fair "Book Table" again was very successful and we would like to thank those of you who generously donated books and services to this sale.

Building repairs were made in two significant areas: slate roof repair was done on a section of the east roof, and plumbing.

Due to the building's age and condition a serious problem became evident while making roof repairs. The condition of the exterior brick work was examined and complete repointing was recommended. This will be an expensive project but it must be done to preserve the building and its contents. Also, interior wall and stair repairs are needed. Federal Revenue Sharing Funds will be requested for all of the above repairs.

The Library is hoping to begin a "Friends of the Library" program. The purpose of "Friends" will be to assist and expand the Library services in meeting both the reading and program needs of the community. Meetings will be posted for this group, and anyone interested in attending is welcome.

Both Hank Dougherty and Harry Taylor have retired from the board of trustees over the past year. We would

like to thank both of them for their hard work and service. Thanks are also expressed to our librarian and trustees for their support and hard work throughout this past successful year. We look forward to serving the community in the future.

Respectfully submitted,

Tom Nicoletta, Chairperson

Mary Ann Sanborn

1979 ANNUAL REPORT OF CANTERBURY POLICE DEPARTMENT

Since Town Meeting in March, 1979 I have attempted to establish a routine of regular police patrol for the Town of Canterbury, so that all vacant buildings that I am aware of can be checked at least once every 24 hrs. Thus if a break or vandalism occurs, it is much easier to solve than if it was discovered 2 or 3 weeks later.

I am also trying to get the people of Canterbury to realize that if they will call dispatch service at 228-1010 or my residence 783-4319 whenever they need police assistance, someone will respond within a matter of minutes. We are paying good money for this dispatch service! Use it!

If you see something suspicious, call me. I'll check it out, that's what you are paying me for.

Harry Heath, Chief
Canterbury Police Dept.

REPORT OF THE CANTERBURY VOLUNTEER FIRE DEPARTMENT

The number of calls that the Canterbury Volunteer Fire Department responded to in 1979 was a 32% increase over the preceeding year, with 38 Medical Emergencies, 18 Mutual Aid calls, 17 Automobile Accidents, 16 Chimney fires, 9 Service calls, 8 Grass and Brush fires, 6 Electrical fires, and 3 Automobile fires.

Over the past several years the soaring prices of fuel oil and electricity have prompted more and more people to revert to wood as a source of heat. I strongly urge anyone installing a wood burning stove or furnace to use extreme care and caution when making these installations. When installing a wood burning unit into an existing chimney, give special attention to the condition and safety of the chimney. In the building code ordinance for the Town of Canterbury, adopted March 13, 1979, states "all new wood stove and wood furnace installations shall be inspected by a representative of the Canterbury Fire Department." The Canterbury Fire Department would be more than happy to come and inspect for proper installation, proper clearances from combustible materials, proper chimneys and smoke pipes, etc., for any new or existing wood burning unit.

A reminder of the rules and regulations when burning brush, anyone wishing to burn brush and there is no snow cover, a burning permit must be obtained and proper rules and regulations must be followed. The only time a permit is not required is when there is at least a 2" snow cover in and around the area in which you will be burning. Permits can be obtained from Fire Warden Rollins - 783-4727, Deputy Warden Peter Angwin - 783-4514, and Deputy Warden Robert Lee - 783-4277.

Yours in Fire Safety,

Chief Philip "Bucky" Rollins
Canterbury Volunteer Fire Dept.

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

1979 Forest Fire Statistics

	No. of Fires	No. of Acres
State	1,099	318
District	118	36
Town	8	12

Richard S. Chase

Forest Fire Warden

REPORT OF THE CANTERBURY PLANNING BOARD

The updating of our master plan (A Plan for Tomorrow) has continued during the past year. New maps and substantial revisions to the entire document has required us to postpone publication until late April. A major consideration in this revision has dealt with the need to develop a capital improvements program in conjunction with the Selectmen, Road Agent, Conservation Commission, Fire and Police Departments, the Library and others. This program coupled with our zoning ordinance and subdivision regulations will provide a sound basis for meeting our future needs.

The Planning Board has formally reviewed 19 applications for sub-division which resulted in the creation of 32 lots during the past year. In addition, the Board met with representatives of the Department of Economic Development to discuss the town owned industrial area and techniques for utilizing this resource. While no action is currently anticipated relative to development of the industrial area, the Board has expressed its interest in entertaining proposals. Any action in this area would require town meeting approval.

Several items will appear on the ballot intended to clarify the Zoning and Building Code Ordinance. These are intended to clarify definitions and authorize certain Board of Adjustment operations. The Planning Board recommends adoption of these changes.

There is however, a petition item on the ballot which would delete Article XIV, which is the growth control section of our zoning ordinance. The Planning Board is against deleting Article XIV since it would have a severe

impact on this town's ability to meet its goals relating to future growth as set forth in the revised Plan for Tomorrow, the Capital Improvements Program and the Zoning, Sub-division and Building Code Ordinance.

REPORT OF THE CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The Central New Hampshire Regional Planning Commission has been in existence since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. The Commission acts as an advisory body to its member municipalities and as such is often invited to participate in local planning projects. As part of the ongoing technical assistance provided, the Commission has been pleased to be able to assist the Planning Board in the following areas: research into changes in state laws and capital improvements programming.

The Commission, this past year, hosted seminars on capital improvements programming and the fall legal seminar series. Again the Commission was pleased to see representatives from Canterbury present.

The Commission hopes to be able to continue to serve the needs of its member municipalities in the future and appreciates the past support of its activities by the Town of Canterbury.

Respectfully submitted,

Fred Bruner
Sabin Guertin
Canterbury representatives
to the Commission

CANTERBURY BOARD OF ADJUSTMENT

Case 1979-8 — Charles Hacking — Variance Article 6, Section C-1 — Denied

As a result of increased demands on me at my place of employment, I resigned from the Board of Adjustment on November 21.

I thank you for the opportunity to have served you. The present board is very fair and intelligent and it has been a pleasure to work with them.

Robert Lee, Chairman

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission has again been involved in a variety of activities during the past year.

One of our prime interests is preserving natural areas and conservation areas either by land acquisition, gift and/or conservation easements.

The Commission is continuing its efforts to acquire land for access/recreation on the Merrimack River.

We are still working on field reports and photos for the Conservation Area's Booklet.

A map of the wetlands in Canterbury has been drawn up to add to the booklet.

The following are some other interests of the Conservation Commission.

Several members of the Commission attended a hearing of the Bottle Bill, showing our support of it.

Two members were asked to join the Dump Committee.

We are again looking for young people who would be interested in attending Conservation Camp, 1980.

At this time the Canterbury Conservation Commission would like to give a special thanks to Wilbur Thompson for his leadership, knowledge and support. This being his year to retire from the Commission.

Respectfully submitted,

Canterbury Conservation Commission

REPORT OF THE CONCORD REGIONAL VISITING NURSE ASSOCIATION — 1979

Visits made during the year beginning October 1, 1978
to September 30, 1979:

Nursing	88 visits
Home Health Aide	0
Physical Therapist	0
Homemaker	0
Nutritionist	3
Occupational Therapist	0

The Concord Regional Visiting Nurse Association, Inc., continued to service Canterbury for the fourth year. They have provided skilled nursing care for anyone sick in the home, especially those needing continuity of care after discharge from the hospital. They are available to give hypodermic injections, change surgical dressings, and do other treatments prescribed by the attending physician. When indicated, family members have been instructed to give care between the nurse's visits.

Special services; such as, physical therapy, speech therapy, occupational therapy, and nutritional guidance have been given the special staff and consultants in order to assist with the rehabilitation of an acute or chronic illness.

When family members are unable to supply all the needed care, a staff of homemaker-home health aides are available to give physical care, do light housekeeping, and assist with meal planning and meal preparation.

The nurses are delighted to advise new and expectant mothers in the care of themselves and their babies. They

are also glad to work with families and individuals on normal nutrition, sickness, and accident prevention.

Anyone in Canterbury may request these services — doctor, family, pastor, friend, or the patient himself. Patients are also referred by clinics and other agencies. All calls are answered, but continuing care can be provided only under a doctor's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8 a.m. and 10:30 p.m., seven days a week is all that is necessary to start services or make inquiries. Fees may be scaled to those unable to pay the entire amount.

Sincerely,

Lutie K. Piper,
Executive Director

REPORT OF NORTHFIELD BICENTENNIAL COMMITTEE

To the Residents of Canterbury:

On June 19, 1780, people living in the "Northfields" of Canterbury signed papers incorporating this area into a separate town. This year will be the 200th anniversary of this event. We, the residents of Northfield, cordially invite the people of Canterbury to join in our celebration. Our Bicentennial Committee is busy making plans for the week of June 15 - June 22. We have almost finished our calendar of events for this week. A copy of this calendar will be posted at the town offices in Canterbury.

We sincerely hope that the residents of our "Mother" town, Canterbury, will attend these events.

Nancy Phelps
Northfield Bicentennial Committee
